

Niina Kampus and Vladimir Sild

I found this photo in my favourite antique store in Tallinn, Estonia. **Vladimir Sild** (1905-1979) and **Niina Kampus** (1918-1996) got engaged and shared this wonderful news at Christmas in 1939 with their family and friends.

In 1942, they became parents to a little son Vello. The family lived in Kaavere/Viljandi in Estonia. The [cemetery in Viljandi](#) is also their [final resting place](#).

Their son Vello passed away in 1996. I wish I knew more about the family Sild, if they had more children or any grandchildren.
